### Year End Banquet:

Mary Gridley and Wendy Moleski have agreed to oversee the year-end banquet, which will be held June 27<sup>th</sup>. (This post was previously held by Bea Magner who will be unable to continue-Thank you to Bea for all of your hard work).

The location and cost per person of this year's banquet is yet to be determined. A count will be held over next couple of meetings to get a better idea of how many will be attending.

### Assigned Topics for Next Year:

Mary Ryan will be collecting suggestions for next year's assigned topics. After the list is reviewed, the membership will vote on the three assigned subjects for next year.

The rule for topics is that once a topic has been used, it will not be used again for 5 years. (Nature was excluded)----

\*\* Bob Gates made a motion that the nature topic be treated the same as all other topics. The motion was seconded and voted upon and the motion passed.

The nature topic will be treated the same as all other topics and once used for a topic cannot be used again for 5 years.
