Newsletter/Minutes for February 2008

Welcome Everyone to the Syracuse Camera Club

Image Presentation/Slide Shows

Dan Harris wanted to remind the group that there are still openings for slide shows. Please contact him if you are interested. Our next night for slide show/image presentations will be held on February 27, 2008. Our presenters will be Liz Groat, Dan Harris and Bob Burdick.

And in March we will have presentations by Liz Groat, Dan Ruscitto and Bob Burdick.

Workshops

Liz Groat announced that we will have a new workshop on March 5, 2008. The topic is Studio Lighting and James Dygert of MQ Camera will be our presenters.

Annual Auction

Marie Ryan advised that the annual auction will be held on Wednesday, April 2ⁿ, 2008. Several people volunteered at the meeting to visit area camera shops to request donations for the event. If you are interested in donating or selling any camera items please contact Marie Ryan at ryanscbl@aol.com. The club receives 20% sales (with a limit on same of \$100).

Reminder regarding the Next Competition

Our March 19th competition is a closed competition. This means that a topic has been selected for the evening and all entries must conform to the topic.

The topic for March is Black and White. All entries must be black and white, no toning will be allowed. There was a question about exactly what would be allowed during the February 20th meeting and so a motion was brought forth by Bob Gates as follows:

Motion: It was proposed that the black and white competition for the month of March 2008 would include sepia-toned images. The motion was seconded by Bob Burdick.

A vote was taken:

16 votes for sepia toned images to be included
21 votes against the use of sepia toned images in the
competition.

Therefore there will be no sepia toned (or otherwise toned)
images in the March 19th, 2008 closed competition. Only black
and white will be allowed. All others will be disqualified.

Announcements:

Bob Gates announced that he has received a \$100 bequest from
Alicia Perry for the Syracuse Camera Club.
